PRINCIPAL--MR. ARTHUR SCHNABEL

PRINCIPAL'S MESSAGE

Time travels faster than most of us realize. It seems only a short time ago that we were returning to school from a summer vacation. Now we are saying farewell to our eighth graders who will be leaving us to go to high school.

We take pride in our boys and girls. They leave behind them an enviable record. Academically, they have achieved very favorably according to national standards. Athletically, our girls won the highest honors in basketball and volleyball; our boys won a hard earned championship in basketball.

The Centerville Junior High faculty wishes you the very best for your next four years of school.

TIPS ON ENGLISH
A pronoun is a word that takes the place of a noun. (Although the boys lost, they remained cheerful.)
A verb is a word that expresses action or the state of being. (The train arrived so they will be here soon.)
An interjection is a word that expresses strong feeling or emotion. (Hurrah! The Yankees won.
